NOTICE

This is to notify all students that a **30-hour Value-Added Course** titled "**EV Technology and Soft Skill Development**" is being organized by the college to enhance practical technical knowledge, professional competency, and workplace readiness.

The regular classes for this course will commence on and from 11th September 2026(Friday). **Date of Commencement: 11/09/2026 (Friday) Time: 12:30 P.M. Venue: Smart Room.**

The course curriculum integrates foundational electric vehicle technology (including battery systems, power trains, and charging infrastructure) with essential career-readiness skills (Professional communication, digital literacy, interview techniques etc).

All enrolled and interested students are hereby directed to attend the inaugural class punctually. The detailed schedule of the course will be shared later.
