### Observations and Key Findings:

1. The safety standards of the college are highly rated, with 93% of parents rating them as good or excellent. This indicates that parents feel their children are safe within the college environment.
2. With 88% of parents rating this aspect as excellent or good, it is clear that the college fosters strong and positive relationships between students and teachers.
3. An overwhelming 95% of parents rated teachers' knowledge as excellent or good, highlighting the strength of the teaching staff in their subject matter expertise.
4. The high ratings in this area reflect a positive perception of fairness and impartiality among both teaching and non-teaching staff.
5. While a majority of parents rated the library facilities as good or excellent, 20% rated it as fair. This suggests that there might be room for enhancements in the library resources or environment.
6. This area received mixed feedback, with 25% of parents rating it as fair. Improving cleanliness could significantly boost overall satisfaction.

7. Although the majority of parents rated their child's learning experience as good or excellent, 17% rated it as fair. This indicates that there is room to improve the overall learning experience to ensure all students are equally satisfied.
