STUDENTS' FEEDBACK: 2022-2023

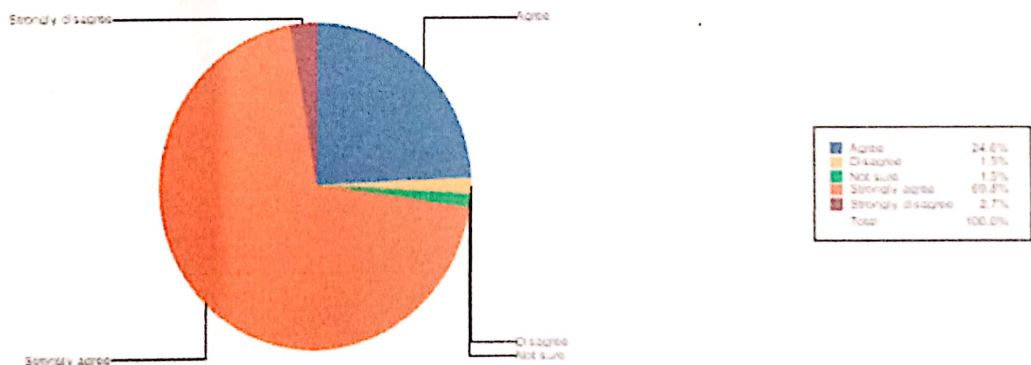

Kabikankan Mukundaram Mahavidyalaya is located in Keshabpur, Hooghly and is affiliated to the university of Burdwan. The Internal Quality Assurance Cell (IQAC) of the College has received feedback from various stakeholders. Feedbacks from different stakeholders like students, teachers, alumni and parents are collected in online mode. 381 students, 28 teachers, 51 alumni and 75 parents have submitted their feedbacks. The students are advised to provide their feedback judiciously. The feedback is done on few parameters such as depth of course content, availability of source material, student centric method adopted, library facility, usages of ICT tools, time management and the assistance provided by the faculty members. All the responses were studied thoroughly. It is evident that majority of the students are satisfied with the common facilities.

The following is a graphical analysis of the feedbacks received from various stakeholders.

Students' Feedback Analysis:

338 responses of 22 questions have been received from the students. The questions basically concerned themselves with the curriculum, teaching learning, infrastructure, student-support etc.

- 1 Clean drinking water is available in the college campus.

Key Findings and observations:

1. A significant number of students strongly agree that clean drinking water is available on campus, with additional support from a notable portion of the student body.
2. The majority of students find faculty members to be available and helpful, with a strong concurrence among the respondents.
3. Most students observe that teachers effectively use ICT facilities during their teaching sessions.
4. Students generally agree that the institutional infrastructure, including classrooms, labs, libraries, and smart classrooms, is adequate.
5. Students have varied perceptions of campus safety, with the highest number rating it moderately safe.
6. The quality of food in the college canteen is largely considered satisfactory and hygienic by the students, though some think that there are still a lot of improvements needed.
7. The college is recognized for organizing seminars and workshops, although a notable number of students are unsure about this.
8. Students believe that their grievances are properly addressed, with a strong agreement among many respondents.
9. Teachers are perceived to be knowledgeable about their courses, with widespread agreement from the student body.
10. The campus is largely regarded as green and plastic-free, with strong affirmation from the majority of students.
11. The college's evaluation mechanism is deemed fair and transparent by many students, although there are some uncertainties and minor disagreements.
12. The college library is considered well-equipped with essential academic resources by most students.
13. The college's efforts in organizing environmental promotional activities are acknowledged positively by the students.
14. There is a general agreement that the college regularly organizes sports and cultural activities, with strong support from the student body.
15. Many students feel that the courses offered by the college align with their academic and career goals.
16. The curriculum is viewed as encouraging critical thinking and problem-solving skills, with broad agreement among the students.
17. Students generally agree that the curriculum is student-friendly and meets practical standards.
18. Non-teaching staff are seen as supportive and helpful by the majority of students.
19. The college's role in providing various scholarships is recognized and appreciated by the students.

20. The cleanliness and maintenance of toilets and washrooms are generally seen positively by the students, though there are some contrary opinions.
21. Teachers are perceived to cover the syllabus in due time, with strong agreement from the student body.
22. Students feel that their doubts are effectively addressed by teachers both in and outside the classroom.
