Principal Desk

Dr Mahamaya Laha, Mukherjee

Principal

Kabikankan Mukundaram Mahavidyalaya came into existence in the calm and green countryside of Keshabpur under the Arambagh subdivision in the district of Hooghly in 2007. The institution began its auspicious journey with the Arts stream alone. Although the Arts stream remains a cornerstone, the number of subjects taught has since increased.

Despite facing some infrastructural limitations, the college maintains a commendable standard of education, thanks to the unwavering dedication of its teaching and non-teaching staff, the discipline of its students, the commitment of the Students' Union, and, above all, the active participation and sincere cooperation of the Governing Body—especially the Honourable President and esteemed members. Without their invaluable contributions, these achievements would not have been possible.

It is hoped that the college will soon achieve significant infrastructural advancements while continuing to uphold its excellent standard of teaching. With enthusiastic and dedicated students, this institution aspires to become a beacon of knowledge, earning a place of pride in society and playing an iconic role in making India truly incredible.

GEOGRAPHIC LOCATION

Kabikankan Mukundaram Mahavidyalaya is situated at Keshabpur, Hooghly near the birthplace (Daminya) of Kabikankan Mukundaram Chakraborty. It is located on the western bank of river Mundeswari and has a unique geographical location. The education enthusiasts of the locality had felt the dire need of a college, established one, in the year 2007. The local people were greatly benefited as their kiths and kins would now be ensured of quality education in their own locality. Many poor meritorious students, a majority of them being first generation learners, would get better scope of education and subsequently acquire good placements. Thus the college which is 16 kms away from Arambagh, 23 kms from Tarakeshwar via Kable More and 47 kms away from Burdwan, is expected to become one of the leading academic institutions of the district.
